Proposed Creative Europe project – to which project are you looking for partners?

Sector or field	Cooperation projects
Description or summary of	M.U.S.I.C. 2.0 is a proposed European cooperation project led

* By answering "yes" you confirm that the information provided can be shared publicly by the Creative Europe Desks in the countries participating in the Creative Europe programme, in order to support your search for partners.

the proposed project	by jmEvents Association and planned for 2027–2028. It builds on M.U.S.I.C., a project supported by the European Union's Creative Europe programme that brought together jazz and classical musicians and reached audiences in six European countries. The new edition aims to strengthen cross-border collaboration, create professional opportunities for musicians and bring live music to a wider audience. jmEvents is looking for cultural organisations interested in developing the project together and connecting it with their local music communities. The programme and each partner's contribution will be discussed jointly with interested organisations. 2 videos from the M.U.S.I.C. project, with over 200.000 views: https://www.facebook.com/reel/712732631768799 https://www.facebook.com/reel/1084468853633774
