

Culture 2000 – Implementation 2004

2 Multi-annual cooperation projects supported in the field of Literature and Books

1) ALME

Country: AUTRICHE
AT-DE-IT-SI
SK

Project Dates: 15/05/2004 - 31/12/2006

Description: Full title: Acoustic Literature Map of Europe. The cooperation between the partners is meant to be the starting point for an expanding network. They want to create an internet portal, organise events (readings, radio programmes, literature festivals), develop educational concepts, create archives for literature and sound, develop and connect audio formats and methods of production. They have reached a distribution agreement with the consortium of the European audio exchange platform "StreamOnTheFly".

Objectives: Make literature audible and overcome language barriers. Bring European literature closer to the people. Support a lively, modern literature scene and bring together the different actors in this domain.

2) Cooperation project in the field of books and reading

Country: GRECE
BE-ES-IT-RO
Project Dates: 15/04/2004 -15/04/2007

Description: Planned activities: 1 European conference on books and the book market each year; study on the situation of the European book market; creation of a website; promotion campaign for reading

Objectives: Thanks to coordinated action of publishers associations, strengthen the European book industry. Improve the market conditions to promote the circulation of works. Promote reading. Build a basis for continued cooperation between associations and federations in the field of books and reading, for an exchange of experiences and information on latest developments of common concern.
