

INVITATION INTERNATIONAL SYMPOSIUM CENTRIPHERY @ Cultura Nova

Dear mr/ms,

On behalf of the festivalboard and of all Centriphery projectpartners, we're cordially invite you to the Cultura Nova Festival that will take place from Friday August 23th till Sunday September 1st 2019.

We are happy to present the Centriphery @ Cultura Nova program, consisting of two Centriphery events. On Friday 23th of August, the first international Centriphery symposium will take place. A string of renowned international speakers will reflect on the main theme of Centriphery; what is the role of culture in peripheral regions? Among the speakers is Charles Landry, author of the book Creative City, and Rafael Schacter, author of the World Atlas of Street Art. After the symposium you're invited as our guest to the grand opening of the Cultura Nova Festival 2019.

The STIL.centriphery performance on Saturday 24th of August is initiated by Dutch performer Lieke Benders, in collaboration with actor Bart Bijdens (Toneelgroep Maastricht), French choreografer Éric Minh Cuong Castaing and Roemanian illustrator Livia Coloji. STIL.centriphery will be premiered on Saturday the 24th of August after which it will be performed daily during the Cultura Nova Festival.
