Aims and activities of the organisation	A promising project which aims to the sensibilization of the student community and the public at the same time, on the extremely urgent issue of global water crisis
Role of the organisation in the project	project partner
Previous EU grants received	No

Proposed Creative Europe project – to which project are you looking for partners?

Sector or field	Puppetry, object theatre, shadow puppet theatre, documental theatre, environmental education through art
Description or summary of the proposed project	We seek for partners to embrace and work on our project on global water crisis. Through puppet theatre, shadow puppet theatre and hopefully an illustrated book with all the real "water stories" we have gathered during our survey, we hope to make it possible for this project to travel abroad and spread its message along the other countries of the Balkan region and not only. We strongly believe that raising awareness and

	bringing people together to share ideas and solutions to major common issues such as water crisis, is more than necessary.
Partners currently involved in the project
