Proposed Creative Europe project – to which project are you looking for partners?

Sector or field	Architecture, Design, Performing Arts, Site Specific Art
Description or summary of the proposed project	CO-EXPERIENCE seeks to create a collaborative network with the active participation of different cultural agents based on the needs, uses, dynamics, flows and behaviors in public spaces. The main objective is to generate design solutions through interventions and urban furniture that contemplate 3 central axes: sustainable design, design and social innovation and experience design. Performance mediations will be carried out during the stage of receiving the interventions. An online platform will accompany all stages of the project, enabling the dissemination of actions and citizen participation in collective decisions.
