Role of the organisation in the project	Partner organisation and/or affiliated entity
Previous EU grants received	

Proposed Creative Europe project – to which project are you looking for partners?

Sector or field	Small-scale European Cooperation Projects
Description or summary of the proposed project	<p>General objective: understanding and transforming communities' perception of the innerlands affected from abandonment, natural disaster and/or climate change effects (e.g. earthquake, floods, draught etc.) trough improvisation theatre and art therapy, specifically:</p> <ol style="list-style-type: none"> 1) Trough trainings/exchange of practices between two different disciplines: theatre of improvisation and art therapy → ground observation + research; 2) And the organization of immersive artistic residences in the communities affected by abandonment and/or natural disaster (it requires partnerships with the local administrations and/or associations). <p>General impact: the community can work on identity and self-perception, trauma, fear, as well as self-reconstruction. The artists are trained in fragile contexts and can add self-development activities and skills, especially linked to climate change, the context of altered landscapes affected by cataclysm or bad weather.</p>
Partners currently involved in the project	<ul style="list-style-type: none"> - Teatro Terra di Nessuno (Italy, Ancona) →the creation of the Italian Consortium is ongoing) - ImproImpar (Spain, Madrid)
