Aims and activities of the organisation	<i>Our project aims to develop and promote European cultural and linguistic diversity and heritage. It participates in national and international programs in the fields of culture, art and music with financial and intellectual resources. The company is involved in activities linked to public and cultural education, the promotion of true musical diversity and the transmission of its specificities and filiations. It focuses on young people, through musical education, skills development and talent nurturing. It participates in the enhancement of heritage sites through early and modern music and artistic performance in France and abroad.</i>
Role of the organisation in the project	<i>Project leader</i>
Previous EU grants received	/

Proposed Creative Europe project – to which project are you looking for partners?

Sector or field	Cooperation
Description or summary of the proposed project	<i>In the EU, we are looking for collaborations and exchanges with cultural heritage sites, museums, art galleries, musical ensembles or foundations whose cultural profile matches ours and who would be interested in exchanging our programme, our curations and our live musical performances in their respective countries. With our 'Caravelle' project, we propose a programme of cultural development and transmission, particularly to young audiences, in heritage sites or atypical cultural venues in partner countries. By bringing together mentors, producers and industry professionals, the project will facilitate cross-border collaboration, stimulate emerging talent and foster the creation of a dynamic community of forward-looking ancient, modern and electronic music in Europe.</i>
Partners currently involved in the project	<i>New Aquitaine Region</i>

Partners searched – which type of partner are you looking for?
