### Proposed Creative Europe project – to which project are you looking for partners?

Sector or field	<i>Interdisciplinary and literature</i>
Description or summary of the proposed project	<p>Jasa Association is a private, non-profit, volunteer-based NGO with 30 years of experience. It is active in the fields of culture and sustainable development and operates as a small publishing house producing art books that address the themes and challenges of contemporary society.</p> <p>Within this project, Jasa would like to lead literary workshops and intergenerational dialogues on the future of Europe. These activities would provide a space for reflection, exchange, and creative expression across different age groups.</p> <p>A key outcome of this process could be the development of visually engaging literary-illustrated books, combining written and artistic contributions in an accessible and attractive format.</p> <p>To enrich the activities and broaden their public reach, the project could also involve renowned European artists and thinkers as guest contributors. They could participate through written contributions or public appearances at events such as festivals, forums, symposia, and other public gatherings.</p> <p>In addition, Jasa could contribute to other project activities, particularly in the areas of artistic production (especially writing and painting), the delivery of courses and workshops, as well as promotion and dissemination activities.</p>

	<p>Although Jasa would not take the lead in drafting the project application, as the organisation is small and currently engaged in other activities, it could serve as a strong and reliable project partner both in the preparation of the proposal and in the implementation phase. Jasa also brings valuable experience from participating in EU-funded projects.</p> <p>Contact: <a href="mailto:jasa@onezimosvet.si">jasa@onezimosvet.si</a></p> <p>web: <a href="http://www.onezimosvet.si/international-cooperation">http://www.onezimosvet.si/international-cooperation</a></p> <p>PIF:  <a href="https://www.onezimosvet.si/images/onezimosvet_si/partner-info-2026-jasa-association.pdf">https://www.onezimosvet.si/images/onezimosvet_si/partner-info-2026-jasa-association.pdf</a></p> <p>Jasa' s brochure ta 30<sup>th</sup> of Anniversary  <a href="https://www.onezimosvet.si/images/onezimosvet_si/brosura-jasa-2026-p-razgrnjene-2.pdf">https://www.onezimosvet.si/images/onezimosvet_si/brosura-jasa-2026-p-razgrnjene-2.pdf</a></p>
Partners currently involved in the project	Centre Dot (Cyprus), Museo PEO (Cyprus), Chorus (Greece)
