**Proposed Creative Europe project – to which project are you looking for partners?**

Sector or field	Writing, theatre, video
Description or summary of the proposed project	<p>“Il est impossible de me manger!” (“It is not allowed to eat me!”) is a travelling project between France, Italy, Turkey and Lebanon in 2026–2027. Through writing workshops, it will gather intimate testimonies from people of all social backgrounds. These workshops invite each participant to observe the small gestures and intentions, memories and sensations that shape an identity. The testimonies will then be filmed to create a mosaic of portraits. In 2028, the project will bring all these voices together in a performance.</p> <p>The project works against dehumanisation, builds cultural bridges, and affirms that every personal story contributes to a sensitive and collective community—one that recognises the uniqueness of each individual.</p>
